SUMMARY

Passionate Front-End Developer with expertise in HTML, CSS JavaScript, and modern framework Angular. Currently expanding skill into backend development using ASP.NET Core to become a full-stac developer. Skilled in creating responsive, user-friendly web

applications with a focus on performance and design. Adept a collaborating with teams to bring creative UI/UX designs to life.

WORK EXPERIENCES

Frontend Developer Intern

- **PersistentSolutions** / **Jul 2024–Present**

  Developed responsive and dynamic interfaces using Angular, ensuring cross-browser compatibility and modern UI/UX practices. Collaborated with designers and backend developers on user-focused features.
  Gained exposure to full-stack development workflows and software team collaboration.

- **NET Core Development** (**In Progress**) :

  Currently undergoing a self-paced and project-based learning journey to become proficient in **ASP.NET Core Web API development**.

  Key focus areas include:

  Developing RESTful APIs using ASP.NET Core
  Performing CRUD operations with in-memory data
  Using DTOs (Data Transfer Objects) for clean architecture
  Documenting APIs using Swagger (Swashbuckle)
  Planning to integrate backend APIs with Angular frontend
  Tools: Visual Studio, Postman, Git, .NET CLI
