About me

I'm a results-driven Front-End Developer with 1 years of experience in Angular, building scalable and and responsive web applications. Skilled in TypeScript, JavaScript, HTML, CSS, and RESTful API integration, I deliver clean, maintainable code and modern UI/UX. I thrive in agile teams and stay current with the latest front-end technologies. Additionally, I have 6 years of experience in Adobe Photoshop, creating professional designs, mockups, and graphics for web and marketing projects.

Technical Skills

- **HTML5, CSS3, JavaScript (ES6+):** Build modern and interactive websites.
- **TypeScript:** Write clean and scalable code.
- **Responsive Design (Flexbox, Grid, Media Queries):** Create mobile-friendly layouts.
- **Cross-browser Compatibility:** Ensure consistent site behavior on all browsers.
- **Web Performance Optimization:** Improve site speed and user experience.
- **RESTful API Integration:** Fetch and display dynamic data.
- **DOM Manipulation & Event Handling:** Handle dynamic UI and user actions.
- **Adobe Photoshop:** Design and edit web graphics professionally.
